Hi Ashley,

Since Mindy is out today, please respond directly to Adam's question below.

Thanks,  
Cecile  
10/30

Hi Mindy,

Thanks so much. I appreciate the information. I do have one remaining questions that hoping you and/or Ashley can help me with.

This constituent claims that this project may impact his property. His APN is 658-140-1700. He's hearing a lot of things regarding road and easement issues but he's not sure if this project directly affects him. Is there any chance to look into that and let me know what you think?

In the meantime, I told him that the EIR would be issued for public review in the future and that he would be able to comment at that time.

Thanks again for all your help,

Adam

Hi Adam,

Attached is a vicinity map for Soitec's proposed Tierra Del Sol project. Currently we are working with the applicant and consultants on the 2<sup>nd</sup> screencheck of the draft EIR and the technical studies. Once staff's comments are addressed and remaining issues are resolved, we will get the

document ready for a 45-day public comment period. We will brief you prior to the start of public review. Please feel free to give mine and Ashley Gungle's contact information to any residents that inquire with you. I will be out of the office tomorrow and back again Thursday – if you have any immediate questions, Ashley will be here to help.

Thank you,
